*With great research & tasting of local fresh
produce, we have created
a series of Table d'Hôte & A La Carte
Menus, which use
local suppliers from Leitrim & the
surrounding counties.*

*We would be delighted to explain in further
detail any questions
you may have regarding our dishes.*

*Our Wines have been carefully selected from
Vineyards across France,
Italy, Spain & the "new world".*

*We look forward to your comments &
sincerely hope you enjoy
your dining experience.*
